

Day Camp FAQ'S

2015

Camp Location

Bridge Valley Elementary School, located on Sugar Bottom Road in Furlong. Telephone communication can be made through Warwick Township with the Parks and Recreation Department at 215-343-6100.

Camp Hours

Camp begins at 8:30 AM and closes at 4:30 PM. Structured and group activities begin at approximately 9:00 AM. We encourage your child to arrive by 9:00 AM as children who arrive after these hours are often disappointed because they have missed a favorite activity. Children should never be dropped off prior to 8:30 AM or left with anyone other than a Warwick Day Camp staff member. Bridge Valley Elementary School will be open and operating by summer staff however, these staff members are not affiliated with, nor are they responsible for Warwick Day Camp children.

Half-Day camp hours are 8:30am to 12:30pm.

Drop-Off and Pick-Up Procedures

NEW FOR 2015 - Camp drop-off is located in the rear of the building at the cafeteria doors. Parents should drive around the school to the left of the building and walk their children into the cafeteria. The camp staff will have a Sign-In sheet for the parents to sign and leave a communication note for the counselor if desired. The same procedures will be followed for camp pick-up starting at approximately 4:15 PM. Parents must sign out their children prior to leaving the camp to further ensure camper safety. Parents dropping-off later than 9:00 AM or picking-up earlier than 4:15 PM must follow the same procedures and sign-in or out with the director in the cafeteria.

Please note that each child MUST be picked up no later than 4:30 PM. A late charge will be assessed for constant offenders of late pickup. Late pickup will be considered anytime after 4:45pm. Please call and let our staff know if you must be late due to unexpected circumstances. Excessive lateness may result in the dismissal of your child from the program.

EACH CHILD MUST BE SIGNED IN AND SIGNED OUT EVERYDAY BY THE PERSON DROPPING THEM OFF AND PICKING THEM UP. NO CHILDREN WILL BE RELEASED WITHOUT A PARENT OR GUARDIAN SIGNING THEM IN AND OUT.

Alternate Pick-Up Persons

If your child is going home with a friend, or someone other than you is picking your child up on a given day, please send a note in with your child indicating who will be picking him/her up. Please be aware that your child WILL NOT be released to anyone who is not authorized to pick him/her up unless prior written notification is given by the parent. Each new pick-up person, including parents on the first day, will be asked to show a photo driver's license as proof of identity. Please ensure that anyone else you ask to pick up your child is prepared to show this identification.

Parent Communication

A weekly newsletter is published on Mondays to let you know how your camper will be spending his/her days and what special events or trips are occurring in the week to come. The Camp Director carries a cell phone for the duration of camp and the number can be found on

the weekly newsletter. If, at any time, you have an issue with the camp or counselors, please speak directly to the Camp Director. The Camp Director can also be reached via email at WarwickDayCamp@gmail.com. Do not let your child's unhappiness fester because it will only make their summer miserable for you and us!

Daily Preparation for Camp

The following is a list of items your child will need each day:

- Sneakers (sandals are not safe for outdoor play)
- Snacks (two for full day campers and one for half-day campers)
- Lunch (must provide your own drink as well)
- Refillable water bottle or juice/water – NO SODA (marked with camper's name)
- Swimming attire – swim days (bathing suit, towel, sunscreen)
- Money to purchase desired items while on field trips*
- Sunscreen – each camper should come to camp with sunscreen already applied.

*Optional- money is not needed for field trips and is the responsibility of the camper

Camp Shirt

Each camper will receive a Warwick Camp t-shirt on their first day of camp. Each camper will receive only one shirt, regardless of how many weeks they are registered for. Campers are required to wear the camp shirt on field trips so they can be easily spotted and are identifiable.

Grouping

The children are divided into groups according to the grade they are entering and their age. The Camp Staff also asks for input from the children to assure that they are happy with their groups and with friends. Special circumstances will be considered and arrangements can be made to switch groups as long as there is not a significant age difference.

Field Trips

Although the schedule varies week to week, there is a general routine regarding swimming and field trips. All Warwick Day Camp children swim at the Mary Barness Swim Club each Wednesday morning from 9am to 11am, returning to camp before noon. Usually, field trips are scheduled on Thursdays. It is especially important that all campers wear their Warwick Day Camp t-shirt on all field trips. Although many safety precautions will be in place, the camp t-shirts offer an added security measure in maintaining proper supervision of campers. Campers will depart and return during regular camp hours. There will be no Warwick Day Camp staff left behind to supervise campers who miss the swimming or field trip bus. Refunds cannot be provided for campers who miss the camp day due to lateness on trip days.

Camp Facilities

We are very excited to be using the beautiful facilities at Bridge Valley Elementary School. In general, Warwick Day Camp uses the outdoor playground and fields (located behind the school), the cafeteria and the gymnasium. The gymnasium has a climbing wall that will be utilized every week. The drop-off/pick-up location is held in the cafeteria. During inclement

weather, camp groups will rotate among these rooms doing indoor activities such as art, theater, games and movies.

Discipline

Positive discipline is an important aspect of the camp's daily activities. All campers are encouraged to be tolerant of others and treat each other and the counselors with respect. Warwick Day Camp believes in the importance of parent/counselor communication and will work to both support the parents and gain support from the parents when attempting to modify undesirable behaviors. Camper behaviors that put the safety of themselves or others at risk will be addressed by the counselor and/or camp director and shared with the parent in writing. Repeated or serious difficulties may result in being forbidden to attend swimming and field trips to ensure both the camper's safety and the safety of others. Serious infractions (those causing harm or potential harm to self or others) may result in the dismissal from camp, with no refunds given. The Camp Director will have final say on all disciplinary matters. If any additional resolution is needed, the Director of Parks, Recreation and Open Space will make the final decision.

Medications

Although there is no medical practitioner or nurse on staff, we will make every effort to accommodate your child's needs. If your child requires medication during the day, you must fill out a PERMISSION TO DISPENSE MEDICATION FORM, which you can obtain from the Camp Director (before camp begins). As soon as the form is completed and signed by you, the camp director will administer your child's medication as directed. Please discuss with the Camp Director any medical situations that require your child to take medication on a daily basis throughout the duration of camp. No medications will be given without the required paperwork completed in advance.

Camper Illness

If your child becomes ill while at camp, you will be contacted. If the camp staff is unable to reach either parent, we will attempt to notify the person listed under EMERGENCY CONTACT. In the rare event that our staff is unable to reach anyone, a counselor will stay with your child until you can be reached. If your child does not have a temperature, we will allow him/her to rest quietly for a while and see how they feel. ON TRIP DAYS, if your child is ill in the morning and will not be coming to camp, please call to let us know. We appreciate the prior knowledge that we should not be expecting your child that day. This is especially important on swimming and field trip days.

Counselor Training

Each staff member goes through an orientation in which they familiarize themselves with our rules, regulations and emergency procedures. We try to stress that camp is supposed to be fun for the kids and we work hard at trying to achieve this every day. We are making an effort to have camp be more like camp and not like school. In addition, the Camp Director and all Counselors hold current certifications in CPR and First Aid Training.

Credits/Refunds

If, prior to the start of camp, your situation changes and you decide to withdraw your child from the program, as long as it is two weeks from the start of the camp, your money will be refunded or credited to you minus a \$25 processing fee. Once camp has started however, a

refund or credit is not given for days missed or vacations taken. Special refunds are available for medical reasons.

If you have any further questions after reading this material, please feel free to call the Parks and Recreation Department at (215) 343-6100. We are looking forward to spending the summer with your child!
